NEWBERRY TRAGEDIES.

Some Inquiries Suggested by the Close of A Hamickle at a Negro Frolic-Horrible

There was a lest support near Point-Up to the present month the farmer ria by the negroes last Saintday night, has been looking forward. The con- with the asnat concenitant; viz: a summation of his plans, the final out- row. In the midst of the dance, Job summation of his plans, the final outcome of his labor and toil, in the shape of cotton bales and other crops, have been the objective points before him. Now, these cease to be matters of expection and become matters of fact.

We hope his expectations have not been too large and his crops too small;

Job came to New nerry Monday and process of the comments of the we trust that having sown wisely, he idelivered house for the Sheriff, evihas reaped bountifully. But, however, dently thicking that as he didn't kill well he has done, he might have done the man he shot at he ought to be ex-better; farming has not reached per-ensed. He is now ne job to await his fection and a retrospect may be very trial at the February learn of the Sesuseful. Let us go back together and sions tourr, review the year's work. Looking at Horace Flayd, a negro man who
